01

# BACKGROUND OF THE COMPANY

## Main Office in Sri Lanka & Branch in New Zealand

Cody Zea Software Solutions is a dynamic and innovative company with its main office in Sri Lanka and a branch in New Zealand. Established over two years ago, the company was founded to address the growing demand for reliable and customized software solutions across industries.

## Commitment to Innovation & Client Satisfaction

Our Sri Lankan headquarters serves as the hub for operations, research, and development, while the New Zealand branch focuses on serving regional clients and expanding our global reach. This dual presence allows us to offer localized support and maintain a global perspective in our approach.

## Software Solutions & Empowering Businesses

From our humble beginnings, we have grown into a trusted provider of software solutions, known for our commitment to quality, innovation, and client satisfaction. Whether it's software sales, implementation, or ongoing support, we empower businesses to harness the full potential of technology.

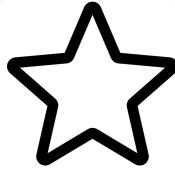

02

# DRIVING DIGITAL TRANSFORMATION

## Our Vision

To be a globally recognized leader in software development by setting the benchmark for quality, innovation, and customer satisfaction. We aim to shape the future of technology by continuously evolving and adapting to meet the dynamic needs of the digital era.

## Our Mission

Our mission is to deliver top-tier software solutions that empower businesses to achieve their full potential. We strive to blend innovation, design, and technology seamlessly, ensuring exceptional value and impactful results for our clients worldwide.
